Manual mobile self priming pump
water-cooled diesel engine

Manual mobile self priming pump
water-cooled diesel engine
(Bauer Coupling)

Manual mobile self priming pump
water-cooled diesel engine
(aluminum alloy)

Open frame four wheel mobile pump truck
(1500m³/h) independent vacuum assist

Half frame four wheel mobile pump truck
(4000m³/h) independent vacuum assisted

Silent four wheel mobile pump truck
Independent vacuum assist

Hand lift emergency pump
Double cylinder diesel engine
(Exhaust vacuum assisted)

Two wheeled mobile fire pump truck
High lift+independent vacuum assist

Two wheeled mobile fire pump truck
(High lift)+exhaust vacuum assistance

Open frame four wheel mobile
fire pump truck
(High lift)+independent vacuum assist

Half frame four wheel mobile fire pump truck
(High lift)+independent vacuum assist

Silent four wheel mobile fire pump truck
(High lift)+independent vacuum assist

Hand lift fire emergency pump
Single cylinder diesel engine+
vacuum assisted

Two wheeled mobile drainage pump truck
(P4 self priming pump)+Bauer Coupling

Two wheeled mobile drainage pump truck
P6 self priming pump

Half frame four wheel mobile drainage pump truck
(P8 self priming pump)

Half frame four wheel mobile
drainage pump truck
(P10 self priming pump)+water separator

Half frame four wheel mobile
drainage pump truck
(P12 self priming pump)+water separator

Four wheel mobile drainage pump truck
Mixed flow pump+vacuum assist

Four wheeled mobile manure pump truck
Remote control+independent vacuum assistance

Four wheeled mobile manure pump truck
Remote control+
independent vacuum assistance

Silent two wheel mobile pump truck
(Remote control 360° rotating lighthouse)

Silent two wheel mobile pump truck
(Traction collision prevention)

Silent four wheel mobile power generation
submersible pump truck
Dual use of power generation and diving
